OUR BRANDS

WHO CALLS 0844?

- As 0870 disappears, consumers will want a similar tariff if they are to call you rather than a competitor

WHAT DO THEY GET?

- A standard 4p or 5p per minute call rate available at any time of day across the UK

WHY DO THEY CALL?

- Simple – a memorable number
- Immediate – at home, work or simply on the mobile
- Compelling – a low standard price at all times from a BT Landline

ABOUT THE PRODUCT FOR CLIENTS

- One single set-up fee that includes the memorable golden number*** of your choice. Both 4p & 5p tariffs are available with a variety of outpayments***.
- 4D only supply numbers to agencies and Corporate clients. As an independent network operator, we operate our services directly providing you with the safety and security to ensure the highest possible quality of service.
- 4D numbers can be directed to a single UK landline or based on the geographic location of the caller to enable swift routing to the nearest call centre.
- Secure web based access to a full reporting package that allows you to track the success of your service in real time is provided as standard.

* During 2008 the regulations regarding 0870 numbers are expected to change. Revenue share of the cost of the call between the number supplier and end user will cease

** Subject to availability

*** Minimum call volume required of 10,000 minutes per month
